LaTonya Rudolph is a school counsellor at Alice Johnson Junior High in Channelview ISD. She has been in education for the last 21 years.

As a counsellor, her job is to provide social, emotional, and academic support to students as they navigate their way through junior high. In addition, her main goal is to provide them with the tools and strategies needed to be successful throughout life.

Prior to her career in education, LaTonya worked for the Texas Department of Health and Human Services as a case worker, then as a case manager. It was her time spent there that ignited her passion to assist individuals and families who are going through transition.

LaTonya obtained my Bachelor's degree in Biology from Texas Southern University. She also has a Master's in Counselling and Master's in Educational Administration from Prairie View A&M University. Recently, LaTonya obtained her Associates of Applied Business in Business Management with a focus on Entrepreneurship. She also completed and received a certificate of achievement from the Community Builders Academy program through East Harris County Empowerment Council. This opportunity gave her the tools and strategies to become a community leader and address resource deserts within the community.

LaTonya has been married for the past 27 years and is the mother of four adult children (two boys & two girls).
