## Do you know how to get to the **Emergency Room**?

Life happens! No one is fully in control of what is designed or planned for your lives by our Creator. We realize that the devil comes to steal, kill and destroy. The devil seeks your Minds. Sometimes life is so overwhelming that we are vulnerable to the state where the enemy comes in and plays on our emotions and sometimes overtakes in negative thinking to now he has your Mind and is controlling your thought patterns. Your weak, depressed, no zeal to fight or don't know how to fight.

Life happens! You are serving over ministries or in ministries and you are feeling overwhelmed. You've gotten to a place where you feel that you can't hear from God anymore and your daily task has gotten you so inundated that your operating of habits or daily routine. Your balance is off and you need spiritual revitalizing.

*Jesus said, "Come unto me all who labor and are heavy laden and I will give you rest".  
Matthew 11:28*

## HOT Ministries is designed as a Spiritual Hospital

These are the initial Steps to Your Care:

### Step 1 – Triage

We must quickly administer medicines of love into their veins. Love covers a multitude of sins. We must first show the person that in spite of what they have done are currently feeling about themselves, God Is Love and He came to us, that we might have life and have it more abundantly. (No greater love than of God's love as He laid down His life for us. John 15:13.

A man cannot hear if he is hungry. We will satisfy this natural appetite so that the mind will then be receptive to transformation. Jesus said to them, ("I am the bread of life, whoever comes to me shall not hungry, and who believe in me shall never thirst". John 6:35)

### Step 2 – Registration

The registration process is important for two reasons: It enables our staff to gather background information for your individual file, and to obtain your consent for specific targeted treatment. Both are necessary as the consenting process also explains the policy of the ministry.

### Step 3 - Treatment

You will be lovingly treated according to the circumstances that initially brought you to HOT also in conjunction with our ministries policy. (Casting all your anxieties on him, because he cares for you. (1 Peter 5:7)

### Step 4 – Re-evaluation

At this stage, we analyze or evaluate our approach towards your current treatment to give the best possible results. We must determine if what has been applied works or if external assistance from other partners of HOT is needed. (Test all things; hold fast what is good. 1 Thessalonians 5:21)

### Step 5 – Discharge

☒ Part of our job is to keep you in a stable healthy mind frame with spiritual support in Christ Jesus long after you've left the ministry. We try to make sure you are able to leave better than arrived; to be able to face your challenges; and to know who you are in Christ Jesus. We also have organizations we may connect you to, who are partners with us to assist you, if the need should arise, such as finding a church, mentor, job, etc. (For freedom, Christ has set us free; stand firm therefore, and do not submit again to the yoke of slavery. Galatians 5:1)
